Dear Family and Friends of Daniel: It has been over a year since Daniel died last May 4 2016. Even so, I know he is still loved and will never be forgotten. The passing of time puts a cool bandage on the burning pain of loss, and ?? making it through the day, does get easier. Still, the loss hurts, especially when anniversaries come up. May I tell you about a future day coming when ?? all those sleeping, Resting-In-Peace, will be resurrected to a peaceful, happy life here on a transformed, paradise Earth? When you welcome back Daniel, with hugs and kisses, your hurt and pain regarding this loss will be replaced with indescribable happiness and tears of joy. Then the scripture at Isaiah 65:17B will be fulfilled for you: ??For look ?? the former (painful) things will not be called to mind neither will they come up into the heart.?? None of the hurts, sorrows or disappointments of life in this system of things will bother us then. Would you like to know when and how Jehovah God will do such wonderful things for us? The answers are all in the Bible. Very Sincerely Yours, Harolyne Grant [paperpencil@aol.com](mailto:paperpencil@aol.com)
