Gerald "Gerry" Sinclair truly was a great man/mentor/Father-Figure to my family and I. He and I didn't have a lot of time in one another's company, but at all times I was around him I recall a man of patience and kindness. I wish I could have had more talks with him as his advice was always sound and his knowledge was far reaching. You are missed, Gerry. May the Lord afford you favor and your soul rest in Light and Peace. -Brandon

My step father was always there for myself and my family . His favorite pass time was being on the water and boating was something he always enjoyed with my mother . Gerry was always the life of the party and no one could hold up to his fun energetic and jokester personality. He was always loving and compassionate towards his family especially his grandchildren . He loved spending time with his grandkids and children and acting just like one himself always ready with the best attitude and answer to any question or problem you had . Gerry was definitely taken from our family to soon but will never be forgotten . I love you Gerry and our life's we definitely better with you in it . I'm grateful to be able to have had you as my step father and will miss you but know your are at peace .
