So very sorry for your loss - a loss shared by many people. Knowing she is with so many other family and loved ones doesn't fill the gap she left behind.. She had such a great love for her family, was such a kind and loving person with a heart of gold and a laugh as big as Kansas. I always think of her with her smile and her way of including everyone in her fun. I am not able to pay my respects at her funeral as I am in NY helping to take care of my father but I will keep you all in my heart and mind that day. Love to all of you.
