Mom, I (we) miss you so very much, our hearts are broken. You captured our hearts with so much love and warmth and you were such a beautiful, wonderful, kind, generous soul. You devoted yourself to your family and never asked for anything in return ever. You gave us comfort in times of need and turmoil, you loved us and supported us in every way possible in our most darkest moments. You were truly an Angel and the best mother anyone could ask for in life. You went through so much suffering for so long but never complained or asked why me, not one time and you believed in Gods will and it was for a reason that everything was happening. You still Smiled, Laughed and Loved. You are my best friend, my Angel and my strength in life. It's been over a year since you left us and joined the Angels, family and friends in heaven and I (we) still miss you like it was yesterday Sweetheart. The only comfort that I have that consoles me is that you no longer have any pain or suffering now and that you are with the Angels that you always deserved to be with. Mom, always remember how so very deeply you are Missed, Loved and Never Forgotten Sweet Angel. Thank You So Very Much Mom for being THE BEST, Most Patient, Compassionate, Most Caring, Loyal, Loving, Non-Judgmental, Sweetest, Warmest, Joy to be around with that Beautiful Radiating Smile that always brightened everyone's day. Life isn't the same without you, but I try to live life as you would want me to in your honor. May God Bless you Sweetheart, you are in Heaven My Angel, but your Love, Guidance, Strength, Compassion, Faith and Warmth are in every beat of my heart everyday. You were always our strength here on earth and you continue to give us strength here still from Heaven Sweet Angel. You will never be forgotten, but always be Cherished in our hearts daily. Thank You Mom for Always being a God sent Angel to us and please watch over us so we always percervier in the values, warmth and Love you gave and taught us. You will live on through us so we can make such a great impact in our loved ones like you did for us. God Bless You Sweetheart and enjoy your wings (You earned them) and all your family and friends in Heaven. Save a big welcoming hug and kiss Sweetheart for when we meet again. Love You for eternity and so very proud to call you Mom. God Bless you Sweetheart and Love You Always and for Eternity Angel.????💎????
