I wish to express my deepest sympathy to Dan's family on this tremendous Loss. I had the opportunity to work with Dan on various projects at LeCom and he was always willing to make time and help with everything. I will miss his genuine nicety, and he was so proud of all of his accomplishments with the safety aspect and other memberships he possessed. He will definitely be missed on many levels of life. May he rest in peace and watch over all of us.

I had the great honor to work with Dan and call him my friend, he was a great man that possessed so many talents. I would always say "Never Fear When Dan Is Near" because he could fix or tackle most any job with expert professionalism. He was the kind of man that was always willing to help others, a great example for all of us. I would like to extend my deepest condolences to his family, I know he is in a better place but he will be missed by all who had the pleasure to call him a friend. I believe Dan Krispin is not gone, he has just GONE AHEAD!

I grew up with dan on the island. He used to shoot trap for harsens island trap team D8 as did I . I moved away for 28 years in Az. I moved back home and had the good fortune to meet up with him and we shot together as teammates at the annual turkey shoot and it was fun to break some clays like the old days. Unfortunately that one got away from both of us, but we had a blast anyways. I am gonna miss you my friend. You were taking away much too young. Prayers to all of your family.

I only had less then a week to get to know him and already am heartbroken to here he's now gone.. let me explain..when you meet new people in your life you tend to profile people sometimes, which isn't right or wrong , but when you meet someone you really know is genuine and really click with, you know your going to have a friend for life. I knew it and so did he. We certainly have been cut short on our time together but I know in my heart someday we will cross paths again my friend...Mrs Krispin,.. Daniel jr, and family, may your faith guide you all..Henry...S.C.S.
