Where do I start to share how I will miss my cousin. When I was a teenager and my mother died Roberta took me into her home. Even though she had children of her own and a full house. She always made me feel loved and we were more than cousins. We were buddies and had lots of adventures together in Detroit. I will always remember the laughter and great times we had. She was a big hearted woman who everyone loved, friends and family alike. My sympathies go out to her children and grandchildren for their loss. She will surely be missed.

I have such fond memories of my beautiful Aunt Roberta. Even though I haven't seen her in years I can still remember her laugh, she had the best laugh! I remember all the fun I would have when I would spend the night at Aunt Roberta's with all my cousins and the times she would take me and Sandy to the Motor City roller rink. I also recollect a fascinating painting Aunt Roberta painted that hung above her sofa sometime in the seventies, which had an eye in the middle of it. I was always captivated by it. If anyone has that painting? Please take a picture of it and send it my way. And OMG, Aunt Roberta's (should be) famous award-winning potato salad!! It has been many many years since I had it, but I never forgot it, the same way I will never forget her beauty and infectious laugh. Love Niece Cyndi
