Charlie, you were my rock and biggest cheerleader. You always worried about your "babygirl" I am so lost without you but you are now at peace and I will ALWAYS have the memories. Out of the pics only me in the first and me and my mom in the other left. Yall left me way too soon! I love you cousin until I see you again!

Charlie was my coworker for a short time. She always brought humor and liveliness to our group. I will forever remember her for her love of candy that I had at my desk. Mostly smarties and the pink starbursts. My condolences to her family.

I was Charlie's manager when she work at Arizona Center for Cancer Care. She always had a smile on her face at work. She was so special to me not only as Co-worker but a friend. I was sad the day she moved away to be with the love of her life. You will always have a special place in my heart Charlie. I will miss you. May you rest in peace.

I am so saddened to hear of Charlotte's passing. We went to high school together and graduated in 1985, and I'll always remember her bright smile and positive energy. She was such a beautiful soul, kind, funny, and full of light. She fought so courageously and inspired so many along the way. My heart goes out to her family and friends. May her memory continue to shine and bring comfort to all who knew and loved her. Rest peacefully, beautiful shining star ✨
